

As a Regina Humane Society (RHS) Kennel Sponsor, will you help fund critical animal care programs including our Adoptions, Veterinary and Animal Protection Programs.

These programs give homeless and abused animals in our community the chance to have a warm safe bed, food and medical care. But, it doesn't end there. Your sponsorship will also provide these animals with behavioural and environmental enrichment programs which make their stay at the RHS less stressful and more enjoyable.

By becoming a RHS Kennel Sponsor, you will receive the following benefits:

- A personalized sign on your kennel for the duration of your sponsorship
- Recognition on the Kennel Sponsorship page of the RHS website
- A complimentary copy of the RHS Calendar
- A charitable donation receipt

As a Kennel Sponsor, you will have the opportunity to maintain your kennel sponsorship for as long as you choose. Renewals occur on an annual basis and you will receive a reminder letter in the mail before your sponsorship expires.

Your sponsorship will help our community's most vulnerable animals receive a second chance at happiness.
