MORE than a Shelter

Dear Friends,

I am often asked by people what they can do to help the animals in our care. I know at times they, perhaps like you, feel helpless, but there is something you can do right now to help.

By supporting the 2019 Holiday Catalogue and donating items or services for the animals instead of (or in addition to) providing gifts for your friends and family, you'll make an immediate difference.

You'll also have the satisfaction of knowing that your gift will keep working throughout the year as we provide for the over 4,000 animals who may find themselves in need of shelter and care in 2020.

Since being introduced in 2009, the gifts provided through this catalogue by people like you have made an incredible difference in the lives of homeless animals. From bottle feeding formula for newborn kittens and puppies to soothing warm water blankets for traumatically injured animals, your chosen gifts are a meaningful way to truly celebrate the spirit of giving.

I hope this holiday season you'll give a gift that really matters.

With gratitude,

Lisa Koch  
Executive Director, Regina Humane Society

**P.S.** Once we receive your order, upon request, we'll send back to you a beautiful Regina Humane Society card and envelope. This holiday card will list which item or service you have donated and can be given or mailed to the person you are wishing to honour.

## How to Order

**Right:** After their mother was tragically killed, orphans Clover and Ivy needed around-the-clock care in order to survive. Thanks to your support, the pups received bottle feeding formula, veterinary care and the love of a foster home until they were old enough to be adopted.

**Left:** Young Lucy arrived at the Shelter suffering chronic pain and extremely limited mobility due to a severe leg injury. RHS Veterinarians determined the best option for Lucy's future well-being was amputation of her deformed leg. Because of RHS donors, she was able to receive immediate veterinary care to help her on her way to happily ever after with a new family.

# For dog lovers...

## *Provide a Good Night's Sleep by donating a Kuranda Bed*

Our Shelter pets deserve all the comforts of home while they await their special someone. A cozy alternative to sleeping on a cold, hard surface, Kuranda Beds provide dogs with a soft and snuggly place to curl up and sleep. The calming effect reduces stress levels helping promote adoption.

**Kuranda Dog Bed \$75**

## *Support a Week's Stay at the Shelter for a dog while they wait for a home*

From feeding, walking, cleaning, playing and providing medical attention, taking care of all the animals at the Shelter is a 24 hour a day job! You will feel good knowing that they will receive the best care possible until adopted.

**One Week Shelter Stay for a Dog \$75**

## *Make Walks More Enjoyable by gifting an Easy Walk harness*

Learning to walk calmly on a harness and leash is a critical skill for dogs. Often dogs at the Shelter haven't been taught loose leash walking and we rely on our volunteers to help with this process. By donating an Easy Walk harness, you're providing an easy to wear and use tool that allows dogs to be walked and exercised gently while awaiting adoption.

**Easy Walk Harness \$35**

## *Make Meal-Time Fun by providing an interactive slow-feeder for a dog*

Slow-feeding bowls provide many benefits for our dogs at the Shelter. These fun feeders not only help dogs with digestion issues, but also increase their mental stimulation and decreases boredom, leading to a happier and more adoptable dog.

**Slow-Feeder Bowl \$25**

## *Provide a Forever Home*

### *by sponsoring the adoption fee of a homeless animal*

Help us find a homeless dog a lasting and loving home through the gift of sponsorship! One of the most meaningful ways to help an animal in need, sponsoring a dog at the RHS offsets the costs for a number of critical services, including spay/neutering, vaccinations, tattoo, microchip and care received while at the Shelter.

**Dog Adoption Sponsorship \$295**

## *Put a Smile on a Dog's Face*

### *by donating rawhides and treats or Kongs*

A rawhide to chew and yummy treats to taste provide happy moments for animals as they await adoption. The addition of durable plastic chew toys such as Kongs, which are always in demand at the Shelter, provide dogs with many hours of enjoyment as they seek out hidden treats or frozen food inside.

**Rawhides and Treats \$20**

**Large Size Kong \$10**

# For cat lovers...

## *Support a Week's Stay at the Shelter for a cat while they wait for a home*

From feeding, walking, cleaning, playing and providing medical attention, taking care of all the animals at the Shelter is a 24 hour a day job! Support a week's worth of care for a cat waiting for a home and feel good knowing that they will receive the best care possible until adopted.

**One Week Shelter Stay for a Cat \$50**

## *Donate Catnip and Toys*

*and help keep our cats entertained at the Shelter*

Used for centuries to lift the spirits of cats and keep them entertained, we use catnip-filled toys to help our felines overcome boredom and increase play while awaiting adoption. Your gift of catnip will allow us to stock up on an item that is frequently in-demand, but low in supply. Plus – you'll make thousands of cats more joyful throughout the year!

**Catnip and Toys \$15**

## *Help our Littlest Kittens Grow Strong by donating a Kitten Kit*

The RHS often receives very young, orphaned kittens that are dependent on the Shelter and its volunteers for survival. Requiring intensive, around-the-clock care, your donation of a Kitten Kit ensures that every young kitten in our care has access to supplies they need. Kittens receive bottles, feeding formula, vaccinations, toys and soft food in order to grow strong and thrive.

**Kitten Kit \$50**

## *Provide a Forever Home*

*by sponsoring the adoption fee of a homeless cat*

Help us find a homeless cat a lasting and loving home through the gift of sponsorship! One of the most meaningful ways to help an animal in need, sponsoring a cat at the RHS offsets the costs for a number of critical services, including spay/neutering, vaccinations, tattoo, microchip and care received while at the Shelter.

**Cat Adoption Sponsorship \$125**

## *Provide a Good Night's Sleep*

*by donating a soft cat bed and blanket*

Our Shelter cats deserve all the comforts of home while they await their special someone. A cozy alternative to sleeping on a cold, hard surface, a soft and warm cat bed along with a blanket provides Shelter cats with a comforting place to relax.

**Cat Bed and Blanket \$30**

# For the benefit of all animals...

## Give a Warm Water Blanket

**and provide comfort for injured or elderly animals**

For our injured or elderly animals, a circulating warm water blanket can provide significant relief from arthritis or after surgery pain. The gift of a water blanket is a great way to provide a comforting rest to animals who are hurting.

**Warm Water Blanket \$50**

## Add Some Fun

**by providing Shelter animals with enrichment toys**

It can be a long wait to be adopted and every dog and cat needs to have access to things that make their stay at the Shelter easier. The gift of enrichment toys go a long way to make that happen. With fun toys, our animals benefit immediately from your thoughtfulness.

**Enrichment Toys \$25**

## Help Silent Victims of Domestic Violence by providing a month of boarding for an animal needing a temporary home

Animals are often the silent victims of domestic abuse and when an individual decides to leave a violent situation, most often they have nowhere to house their pets. Through the Safe Places Program, the Regina Humane Society provides screened foster families and all the items the animals need so they can be safe and free from violence.

**Safe Places One Month Stay \$100**

## Prevent Life-Threatening Illness by providing critical vaccinations

Unfortunately, not all animals that come into our safekeeping have been given basic medical care. Your gift of vaccinations for an animal at the Shelter will ensure the health and safety of not only the animals, but the members of the public who come into contact with them.

**Vaccinations \$25**

## Bring Joy to a Senior or Individual in Palliative Care by donating a Pet Therapy visitation

Studies have shown that when dogs and cats come to visit a care facility, there is more laughter and interaction among residents than during any other "therapy" or entertainment time. Couple that with the happiness our animals receive by getting much needed love and attention and it's no surprise how popular our Pet Therapy Program is.

**Pet Therapy Visit \$25**

# For the benefit of all animals...

## *Provide a Puppy or Kitten with Comfort by gifting a Snuggle Pet*

The purchase of a Snuggle Pet provides a “real-feel” pulsing heartbeat and heat source that recreates a mother’s intimacy and physical warmth for puppies and kittens at the Shelter. This gift, used by shelters worldwide, will ease their loneliness, fear and separation anxiety as they adjust to new surroundings.

**Snuggle Puppy \$60**  
**Snuggle Kitty \$60**

## *Provide Blood Count Screening and help ill animals recover*

By providing the supplies necessary to conduct a blood count screening for ill animals, you'll help our Veterinary team find out why the animal is sick and what the best treatment is to help them.

**Blood Count Screening \$20**

## *Help Orphan Puppies and Kittens Survive by providing bottle-feeding formula*

Every year hundreds of orphaned puppies and kittens depend on the staff and volunteers at the Shelter to survive. Some are rejected by their mothers but more often they are found alone and helpless without anyone to care for them. By providing much needed feeding formula, you'll give these vulnerable animals the chance at survival by receiving the critical nutrition they need.

**Bottle-Feeding Formula \$50**

## *Give the Smallest Animals Hope and provide their care until they find a home*

We help all types of animals at the Regina Humane Society including rabbits, hamsters, birds, ferrets and gerbils. With your support, we can provide these little critters with the special care they require, including appropriate living spaces, food and toys.

**Rabbit, Bird and Critter Care \$15**

## *Maintain Good Health by providing nutritional soft food*

The Regina Humane Society is fortunate that all dry food is provided to the Shelter by Horizon Pet Nutrition free of charge, but critically needed soft food is always in short supply. By providing our animals with access to high quality soft food in addition to their dry food, you'll be making sure they are happier, healthier and one step closer to finding a home.

**One Week Soft Food for One Cat and One Dog \$30**

## *Help Animals Who Need Emergency Care by supporting the Faith Fund*

Many animals arrive at the Shelter in need of emergency care due to car accidents, neglect or abuse. The Faith Fund provides the money needed to save these animals' lives by delivering the critical emergency veterinary care they need, and the aftercare required, to ensure they are adopted into a happy and loving home.

**Emergency Veterinary Care \$500**

## Fund Animal Rehabilitation Transport and provide a second chance at happiness

For some Shelter animals, their journey to a new home is longer than others. Some animals require long-term rehabilitation outside of what our Shelter can provide on-site and are transferred to rehabilitation partners to help them on their way to their happily ever after. Your gift to this program will give these animals the lift they need (whether by air or ground transport) to continue their healing process before being adopted to a loving home.

**Animal Transport \$800**

## Help Animals Heal Faster

**and increase post-surgery comfort and recovery**

The HotDog Patient Warmer is a specialized veterinary system for the care of post-operative dogs (and cats!) that is critical for comfort and recovery following surgeries. The system warms the patient simultaneously from above and below, preventing the risk of hypothermia. In use many times each day, this is a gift that will truly have a tremendous impact on the animals in our care.

**HotDog Patient Warming System \$5,700**

## Provide an Animal Protection Emergency Vehicle to rescue those in the most dire need

Your gift of an Animal Protection Emergency Vehicle ensures that we are able to deliver critically ill, injured and abused animals to safety and care as quickly as possible.

**Emergency Vehicle \$40,000**
