2021 Holiday Gift Catalogue

This year give a gift that really matters!

Regina Humane Society

Dear Friends,

During this season of giving, animal lovers like you may be wondering how they can help pets in our care. Your support of our 2021 Holiday Catalogue is a gift that gives twice – to the animal lover on your holiday shopping list, and to real animals in need. You'll also feel pretty great too!

No matter what gift you pick, by supporting the 2021 RHS Holiday Catalogue and donating items or services for the animals instead of (or in addition to) providing gifts for your friends and family, you will make an immediate difference to animals.

You'll also have the satisfaction of knowing that your gift will keep on giving as we care for close to 3,000 abused, neglected or abandoned animals who arrive in need at the Regina Humane Society every year.

From warm-water blankets comforting injured pets to toys that bring purrs and tail-wags to cats and dogs awaiting adoption, your chosen gifts are a meaningful way to make every animal in the Shelter feel loved.

I hope this holiday season you'll give a gift that really matters.

With gratitude,

Lisa Koch
Executive Director, Regina Humane Society

P.S. *Once we receive your order, upon request, we'll send back to you a beautiful Regina Humane Society card through the mail. This holiday card will list which item or service you have donated and can be given or mailed to the person you are wishing to honour.*

Willy received lifesaving surgery after he arrived at the RHS with a horrible eye condition called proptosis.

Your support of the Regina Humane Society Holiday Catalogue has made a difference in each of their lives.

On behalf of them, as well as thousands of others that you've helped, thank you.

RHS Veterinarians perform roughly 2,000 spay and neuter surgeries annually for pets awaiting adoption. This critical and proactive procedure helps save lives and reduce pet overpopulation.

Fund Animal Rehabilitation Transport and provide a second chance at happiness

For some Shelter animals, their journey to a new home is longer than others. Your gift to this program will give these animals the lift they need (whether by air or ground transport) to continue their healing process before being adopted to a loving home.
