2022 Holiday Gift Catalogue

**Regina  
Humane  
Society**

Dear Friends,

During this season of giving, animal lovers like you may be wondering how they can help pets in our care. Your support of our 2022 Holiday Catalogue is a gift that gives twice – to the animal lover on your holiday shopping list, and to real animals in need. You'll also feel pretty great too!

No matter what gift you pick, by supporting the 2022 Holiday Catalogue and donating items or services for the animals instead of (or in addition to) providing gifts for your friends and family, you will make an immediate difference to animals.

You'll also have the satisfaction of knowing that your gift will keep on giving as we care for close to 3,500 abused, neglected or abandoned animals who arrive in need at the Regina Humane Society every year.

From warm-water blankets comforting injured pets to toys that bring purrs and tail-wags to cats and dogs awaiting adoption, your chosen gifts are a meaningful way to make every animal in the Shelter feel loved.

I hope this holiday season you'll give a gift that really matters.

With gratitude,

Lisa Koch  
Executive Director, Regina Humane Society

*P.S. Once we receive your order, upon request, we'll send you back a beautiful Regina Humane Society card through the mail. This holiday card will list which item or service you have donated and can be given or mailed to the person you are wishing to honour.*

## *Provide a Loving Home*

**by sponsoring the adoption fee of a homeless animal**

Help us find a homeless dog a lasting and loving home through the gift of sponsorship! One of the most meaningful ways to help an animal in need, sponsoring a dog at the Regina Humane Society offsets the costs for a number of critical services, including spay/neutering, vaccinations, tattoo, microchip and care received while at the Shelter.

**Dog Adoption Sponsorship \$295**

## *Make Play-Time Fun*

**by providing outdoor toys for dogs**

The dogs at the Shelter get much-needed exercise and a chance to get out of their kennels during playtime. A gift of durable and weatherproof toys like soccer balls and tug toys are sure to keep them happy and entertained while they explore the great outdoors in the RHS' off-leash dog park.

**Outdoor Dog Toys \$25**

## *Make Walks More Enjoyable* **by gifting an Easy Walk harness**

Learning to walk calmly on a harness and leash is a critical skill for dogs. Often dogs at the Shelter haven't been taught loose leash walking and we rely on our volunteers to help with this process. By donating an Easy Walk harness, you're providing an easy to wear and use tool that allows dogs to be walked and exercised gently while awaiting adoption.

**Easy Walk Harness \$35**

## *Provide a Good Night's Sleep* **by donating a Kuranda Bed**

Our Shelter pets deserve all the comforts of home while they await their special someone. A cozy alternative to sleeping on a cold, hard surface, Kuranda Beds provide dogs with a soft and snuggly place to curl up and sleep. The calming effect reduces stress levels helping promote adoption.

**Kuranda Dog Bed \$75**

## *Support a Week's Stay at the Shelter* **for a dog while they wait for a home**

From feeding, walking, cleaning, playing and providing medical attention, taking care of all the animals at the Shelter is a 24 hour a day job! You'll feel good knowing that they will receive the best care possible until adopted.

**One Week Shelter Stay for a Dog \$75**

## *Put a Smile on a Dog's Face* **by donating rawhides and treats or Kongs**

A rawhide to chew and yummy treats to taste provide happy moments for animals as they await adoption. The addition of durable plastic chew toys such as Kongs, which are always in demand at the Shelter, provide dogs with many hours of enjoyment as they seek out hidden treats or frozen food inside.

**Rawhides and Treats \$20**

**Large Size Kong \$10**

*Give a  
Good Night's Sleep  
by donating a soft cat bed and blanket*

Our Shelter cats deserve all the comforts of home while they await their special someone. A cozy alternative to sleeping on a cold, hard surface, a soft and warm cat bed along with a blanket provides Shelter cats with a comforting place to relax.

**Cat Bed and Blanket \$30**

*Support a Week's Stay at the Shelter  
for a cat while they wait for a home*

From feeding, walking, cleaning, playing and providing medical attention, taking care of all the animals at the Shelter is a 24 hour a day job! Support a week's worth of care for a cat waiting for a home and feel good knowing that they will receive the best care possible until adopted.

**One Week Shelter Stay for a Cat \$50**

*Help our Littlest Kittens Grow Strong  
by donating a Kitten Kit*

The RHS often receives very young, orphaned kittens that are dependent on the Shelter and its volunteers for survival. Requiring intensive, around-the-clock care, your donation of a Kitten Kit ensures that every young kitten in our care has access to supplies they need. Kittens receive bottles, feeding formula, vaccinations, toys and soft food in order to grow strong and thrive.

**Kitten Kit \$50**

# For CAT lovers...

*Provide a Forever Home  
by sponsoring the adoption fee of a homeless cat*

Help us find a homeless cat a lasting and loving home through the gift of sponsorship! One of the most meaningful ways to help an animal in need, sponsoring a cat at the Regina Humane Society offsets the costs for a number of critical services, including spay/neutering, vaccinations, tattoo, microchip and care received while at the Shelter.

**Cat Adoption Sponsorship \$125**

*Donate Catnip and Toys  
and help keep our cats entertained at the Shelter*

Used for centuries to lift the spirits of cats and keep them entertained, we use catnip filled toys to help our felines overcome boredom and increase play while awaiting adoption. Your gift of catnip will allow us to stock up on an item that is frequently in-demand, but low in supply. Plus – you'll make thousands of cats more joyful throughout the year!

**Catnip and Toys \$15**

*Make Snack-Time Fun  
by providing delicious lickable cat treats*

Your gift of cat treats provides both nutrition and entertainment for Shelter cats in our care. Hand-fed snacks like Squeeze Up tubes also helps with socialization, giving treating a whole new meaning.

**Cat Treats \$20**

# For the benefit of **ALL ANIMALS.**

## *Give a Warming Blanket and provide comfort for injured or elderly animals*

For our injured or elderly animals, a warming blanket can provide significant relief from arthritis or post-surgery pain. The gift of a warming blanket is a great way to provide a comforting rest to animals who are hurting.

**Warming Blanket \$50**

## *Maintain Good Health by providing nutritional soft food*

The Regina Humane Society is fortunate that all dry food is provided to the Shelter by Horizon Pet Nutrition free of charge, but critically needed soft food is always in short supply. By providing our animals with access to high quality soft food in addition to their dry food, you'll be making sure they are happier, healthier and one step closer to finding a home.

**One Week Soft Food for One Cat and One Dog \$30**

## *Donate a One Month Foster Care Kit to provide much needed supplies for animals who require specialized care*

Whether an animal is orphaned, recovering from illness, or needs extra socialization, the RHS volunteer Foster Program provides a comfortable home atmosphere for a furry friend awaiting their turn for adoption. Your donation of a Foster Care Kit will fund one month of food, litter, bedding, medication and toys for these vulnerable animals.

**One Month Foster Care Kit \$60**

## *Help Silent Victims of Domestic Violence by providing a month of boarding for an animal needing a home*

Animals are often the silent victims of domestic abuse and when an individual decides to leave a violent situation, most often they have nowhere to house their pets. Through the Safe Places Program, the Regina Humane Society provides screened foster families and all the items the animals need so they can be safe and free from violence.

**Safe Places One Month Stay \$100**

## Help Animals Who Need Emergency Care by supporting the Faith Fund

Many animals arrive at the Shelter in need of emergency care due to car accidents, neglect or abuse. The Faith Fund provides the money needed to save these animals' lives by delivering the critical emergency veterinary care they need, and the aftercare required, to ensure they are adopted into a happy and loving home.

**Emergency Veterinary Care \$500**

## Give the Smallest Animals Hope and provide their care until they find a home

We help all types of animals at the Regina Humane Society including rabbits, hamsters, birds, ferrets and gerbils. With your support, we can provide these little critters with the special care they require, including appropriate living spaces, food and toys.

**Rabbit, Bird and Critter Care \$15**

## Be a Tooth Fairy for a Hurting Animal by providing dental care

Anyone who has experienced a toothache knows first hand how painful they can be. Now imagine living with that pain for years. This, unfortunately, is what many animals who are in need of help at the Shelter are experiencing. By becoming a Tooth Fairy for a pet in need, you'll provide relief from serious dental issues and give them their smile back!

**Tooth Fairy Dental Care \$1000**

## Add Some Fun

by providing Shelter animals with plenty of enrichment

Enrichment for animals is fun! These toys and products are used to reduce stress and enhance the quality of life for cats and dogs while they are waiting for their forever homes. Your gift will be used to purchase items like cat scratch pads and yummy dog treats.

**Enrichment Supplies \$25**

## Provide Blood Count Screening and help ill animals recover

By providing the supplies necessary to conduct a blood count screening for ill animals, you'll help our Veterinary team find out why the animal is sick and what the best treatment is to help them.

**Blood Count Screening \$20**

## Prevent Life-Threatening Illness by providing critical vaccinations

Unfortunately, not all animals that come into our safekeeping have been given basic medical care. Your gift of vaccinations for an animal at the Shelter will ensure the health and safety of not only the animals, but the members of the public who come into contact with them.

**Vaccinations \$25**

## Help Orphan Puppies and Kittens Survive by providing bottle-feeding formula

Every year hundreds of orphaned puppies and kittens depend on the staff and volunteers at the Shelter to survive. Some are rejected by their mothers but more often they are found alone and helpless without anyone to care for them. By providing much needed feeding formula, you'll give these vulnerable animals the chance at survival by receiving the critical nutrition they need.

**Bottle-Feeding Formula \$50**

## Help Animals Heal Faster and increase post-surgery comfort and recovery

The HotDog Patient Warmer is a specialized veterinary system for the care of post-operative dogs (and cats!) that is critical for comfort and recovery following surgeries. The system warms the patient simultaneously from above and below, preventing the risk of hypothermia. In use many times each day, this is a gift that will truly have a tremendous impact on the animals in our care.

**HotDog Patient Warming System \$5,700**

## Support Animals Undergoing Surgery by purchasing an IV Fluid Warmer

An IV Fluid Warmer heats fluids before they are administered to animals undergoing surgery. This helps to reduce the risk of hypothermia during anesthesia.

**IV Fluid Warmer \$1,200**

## Provide an X-Ray Machine and help animals for decades to come

Critical to the diagnosis of injured animals, having access to an in-house x-ray machine will allow RHS Veterinarians to identify issues and begin treatment more quickly.

**X-Ray Machine \$62,000**

All donors who give a Special Gift will be recognized in the new Animal Community Centre Veterinary Care Centre. Donors over \$5,000 will also be recognized on the main donor wall. Gifts over \$5,000 may be pledged over a time period of up to five years.
