

SWEET WEEK FREQUENTLY ASKED QUESTIONS

When is RHS Sweet Week?

Sweet Week is officially taking place from April 20-26 throughout the city of Regina. The RHS will also be selling cupcakes at the Shelter on April 24. Please see a full list of participating businesses and Sweet Week dates on our website.

Are there prizes?

Yes! Register as an individual baker and you will receive 1 entry ballot for every \$100 raised for the RHS. One lucky winner will take home a KitchenAid Artisan Mini Mixer donated by our friends at Canadian Tire South.

The top corporate/restaurant and top class fundraiser will each get a special visit from some of our furry friends!

Do I have to bake to support Sweet Week?

People choose to bake and host an event because it's fun and tasty, plus it helps animals. But this is not the only way to support the event. You can donate or buy treats from other participants, or purchase cupcakes at the Shelter on Friday, April 24. The list of participating businesses and restaurants having sales available to the public can be found on our website.

Do I have to bake cupcakes?

Not at all. You can bake any kind of sweets you want including savory ones. Many people make pies, cakes and even doggie treats. The sky's the limit!

What should the suggested donation amount be?

We suggest a minimum of \$2 per cupcake or small treat, or what you think it is worth. You can leave it open ended and hope that donations are generous.
