RHS's Birthday Party Package's FAQs

What do I do if my child has specific allergies?

All of the baking provided in the additional add-ons are peanut/nut free. As the RHS is a working animal shelter, exposure to animal allergens is possible. If you or your child has other known allergies, please let us know beforehand.

What do I do if my child wants to bring RHS donations instead of gifts?

That is very kind of you! If this is something you're interested in, please see our website under the "**Get Involved**" tab for the [Most Needed Items](#) and [Children's Donation Program](#).

Do we get to keep the items made during the activities?

Yes! Other than what is made during the pet enrichment activity, all of the items or prizes won during the activities get to go home with you at the end of the day. Items made during the pet enrichment activity are given to the Shelter animals by the people making them.

Adaptations for Diverse Needs

The Regina Humane Society is understanding and inclusive of the diverse needs of many people. With this in mind, we have the following accommodations available upon request:

- Noise-canceling headphones
- Colouring and drawing materials
- Quiet areas to assist with overwhelming auditory stimuli
- A sensory bucket to assist with dysregulation. The sensory bucket includes:
 - Bubbles
 - Fidgets
 - Calming bottles
 - Slime
 - Plastic bags with tactile materials
 - "I Spy" bag

Birthday Party Package

Activity Options

Below is a list of six activity options for you to choose from to make your party un-fur-getable! Each activity is designed to be 30 minutes in length to give adequate time for food, cake, and gifts afterward.

Finding a Fur-ever Home

The birthday child and their guests will create their own pet using air clay or pipe cleaners, guided by our team. They will create a story as to how their amazing pets made their way to them and the personality details that make their animal special. The group will then create adorable collars and supplies for their fur family member, complete the adoption process, and be presented with a certificate of adoption!

Animal Origami and Yoga

Did you know that ancient Yogis studied animals to learn from them, and many yoga poses are named after animals? In this activity, the celebrating group will be led by their facilitator in creating adorable, age-appropriate animal creations using paper. Afterward, they will have a calming yoga break where animal poses will be used to help exercise bodies and minds.

Society Safari Scavenger Hunt

If you're on the hunt for animals and interesting facts, we have the purr-fect activity for you! In this activity, you will get an option of either a digital or paper scavenger hunt and break up into teams. Your group will make its way through the Regina Humane Society to answer questions, solve riddles, and complete activities for the chance to win a prize!

Animal Trivia

Think you know the most about animal trivia? Put that to the test in this party activity! Guests will have the option to be broken up into teams or compete individually for the chance to be crowned the winner. Questions will be age-appropriate, and categories can vary from animal facts to celebrity animal questions.

Enrichment Toy & Activity Making

During this activity, your group will create engaging enrichment toys and activities for the animals at the RHS. These items help Shelter pets channel energy, prevent boredom, enjoy mental stimulation and have fun! Best of all, you'll experience the joy of giving them directly to our grateful furry friends!
