Pet Food & Supply Support for Families in Need

What Is the Pet Connection Food Bank?

Pets are family - and when families face hard times, pets feel it too.
The Regina Humane Society's Pet Connection Food Bank provides temporary pet food and essential supplies to individuals and families experiencing short-term financial hardship.

Our goal is simple: Help keep pets safe, fed, and at home with the people who love them.

How the Program Works

1. Donations are collected from local businesses, community members, and partners.
2. RHS volunteers sort and portion food and supplies.
3. Food is distributed weekly through the RHS and our partner organizations across Regina.

Together, we create a coordinated system of support so no pet has to go hungry.

Accessing the Program at the RHS, 4900 Parliament Ave.

Because food stored at the shelter is limited, access through the RHS is:

- ✓ Limited to once per month per household
- ✓ Designed to provide short-term support

This helps ensure food remains available to as many families as possible.

Why It Matters

Behind every bag or food is a pet who gets to stay home. Behind every donation is a family who feels supported. Together, we are building a community where no one has to choose between caring for themselves and caring for their pet.
